

Insurance / Payment / Financial Information

Insurance

We understand that insurance benefits, requirements and restrictions can be very confusing, so know that we will do our best to help you understand them. Dr. Dagam does accept most major health insurance plans including Medicare Part B. However, it is your responsibility to contact your insurance company to confirm your coverage for Dr. Dagam and the facility you may have a procedure at.

Patients will be responsible for charges incurred when choosing to go out of network.

We do accept Medicaid plans, however we do have a limited participation policy in place. Our staff will be happy to answer any questions you may have regarding our appointment availability.

**Disclaimer* Accepted insurances can change from time to time so please be sure to contact your insurance plan for the most up-to date information.*

** Please contact the hospital or surgical center directly for any questions regarding the billing related to services you received at an inpatient or outpatient facility.*

Payments

If your insurance plan requires a co-payment, you will be asked to pay this at the time of your visit. For your convenience we accept cash, checks, Visa, MasterCard, Discover and American Express.

****Be advised there will be an additional \$25 non-sufficient fund fee for all returned checks. ****

Collections

Dagam Neurosurgery uses reasonable means to collect funds owed. Failure to pay your balance due in a reasonable amount of time, will be referred to a collection agency for payment.

We strongly advise you to make arrangements with our billing department to avoid this step by calling 262-544-9850.
